

You are invited to decorate a pinwheel to bring to our **Pentecost Intergenerational Worship on July 9<sup>th</sup>** at 10:30 am. You can use the template below – or make one of a different size. The pinwheels will be cut and folded to make them able to spin. See the example of how you might arrange your drawing or decoration – but the main thing is to **LET THE SPIRIT of PENTECOST free** in your decoration ... and **wear RED** if you can.
